Feedback

You may have noticed that after an activity we send you an email asking you to give us feedback. We gather the feedback forms and go through them, together as a Team, to see what we are getting right and also how we can improve our service to you. Feedback Response!

We have received feedback about the lack of activities for Young Carers under 9 and we have listened!

The Summer activities now being planned will include ones for Young Carers from 7 years old.

Also we are working on what would be the best provision for under 7 year olds.

To this end we will be sending families with children under 7 years old a questionnaire to ask for their views and suggestions about what to provide in the future for this age group.
